Just a brief record to let you know that you are not forgotten by me. I was in Sydney when Dorothy received your last letter. That was about 3 weeks ago. We are all anxiously waiting for further news from you. Jimmy & I are in excellent health. Malolo is just as pretty as ever. We have had lots of rain & our paddocks are looking beautifully fresh & green. Our wattle trees are out in blossom & I am enclosing just a tiny sprig to remind you of Australia. Min will be coming up to stay with us in a few days time. I am looking forward to her visit very much indeed. Dorothy was quite well when I last saw her & a couple of days ago, I got a nice long newsy letter from her telling me all the gossip about 3 Fifth Street. Am afraid I haven't very much news to tell you from this part of the world. At present I am very busy knitting fullovers for soldiers to wear in hospital. How are you off for clothes? If there is anything you require just let me know. Now dear boy do look after yourself. Sincerely trust you are keeping well & that you are having a decent spin over there.
