Darling

I received some news of you today dated 9th Oct. & I was delighted to hear from you. Also glad to hear that you are well & still in the same place. We had a letter from Hamelton this morning, he seems to be getting along all right. He had been to see Carlyle then the three of them went down to see Lloyd, & he had enjoyed the day immensely. Hamelton was saying he had seen a lot of Carlyle, he looks, & feels well so there is no need to worry about him. I believe Carlyle has been sent on another job. Ham said it was a good job he had struck so again there is no need to worry. I do hope you, & Hamelton can meet - perhaps by now you have. He said in his letter he was on the look out for you, so keep your eyes open ... I was very pleased to hear that you had received three of my letters in one mail. I don't think you should miss a mail, as I have been writing twice a week to you for months. I go two, & three times a week some times before I hear from you. But I don't blame you. It is a wonder we get our letters at all, when there are so many being sent over sea's. We sent your Thomas parcel last mail. I hope it reaches

you in time for the event. you were a long time before you got the others.

I wrote to Grace to day, & sent her a set for the baby. Aylida did the knitting, & it was all very sweet. I didn't see Grace, & the baby when we got into town. I think I told you of the rush, & bustle we had. There hasn't been any rain in Cobar since we came home. So you can imagine what the country is looking like. It is lovely to be home again away from the drought stricken parts.

Aylida is feeling much better, she is thinking of going home next week. Aylida, & Mim are spending the day with Jeanne tomorrow. Bill, & Woody have gone out for the evening. Woody won a lot of money last week, & lost it all this week.

We are trying to ^{get} Mim away for a holiday. She has had a lot of work to do. & has not been feeling well.

Well darling I haven't any interesting news to tell you I posted you a letter Monday, & today is only Wednesday. So you will see there is nothing much one can write about.

So darling I'll bid you another good night. Keep well, & take care of yourself.

Love from all

as ever
your loving wife
Dorothy
